Creating skilled Victorians: The industry-TAFE shared responsibility

TAFECreates24 - 8th August 2024

Katrina Currie

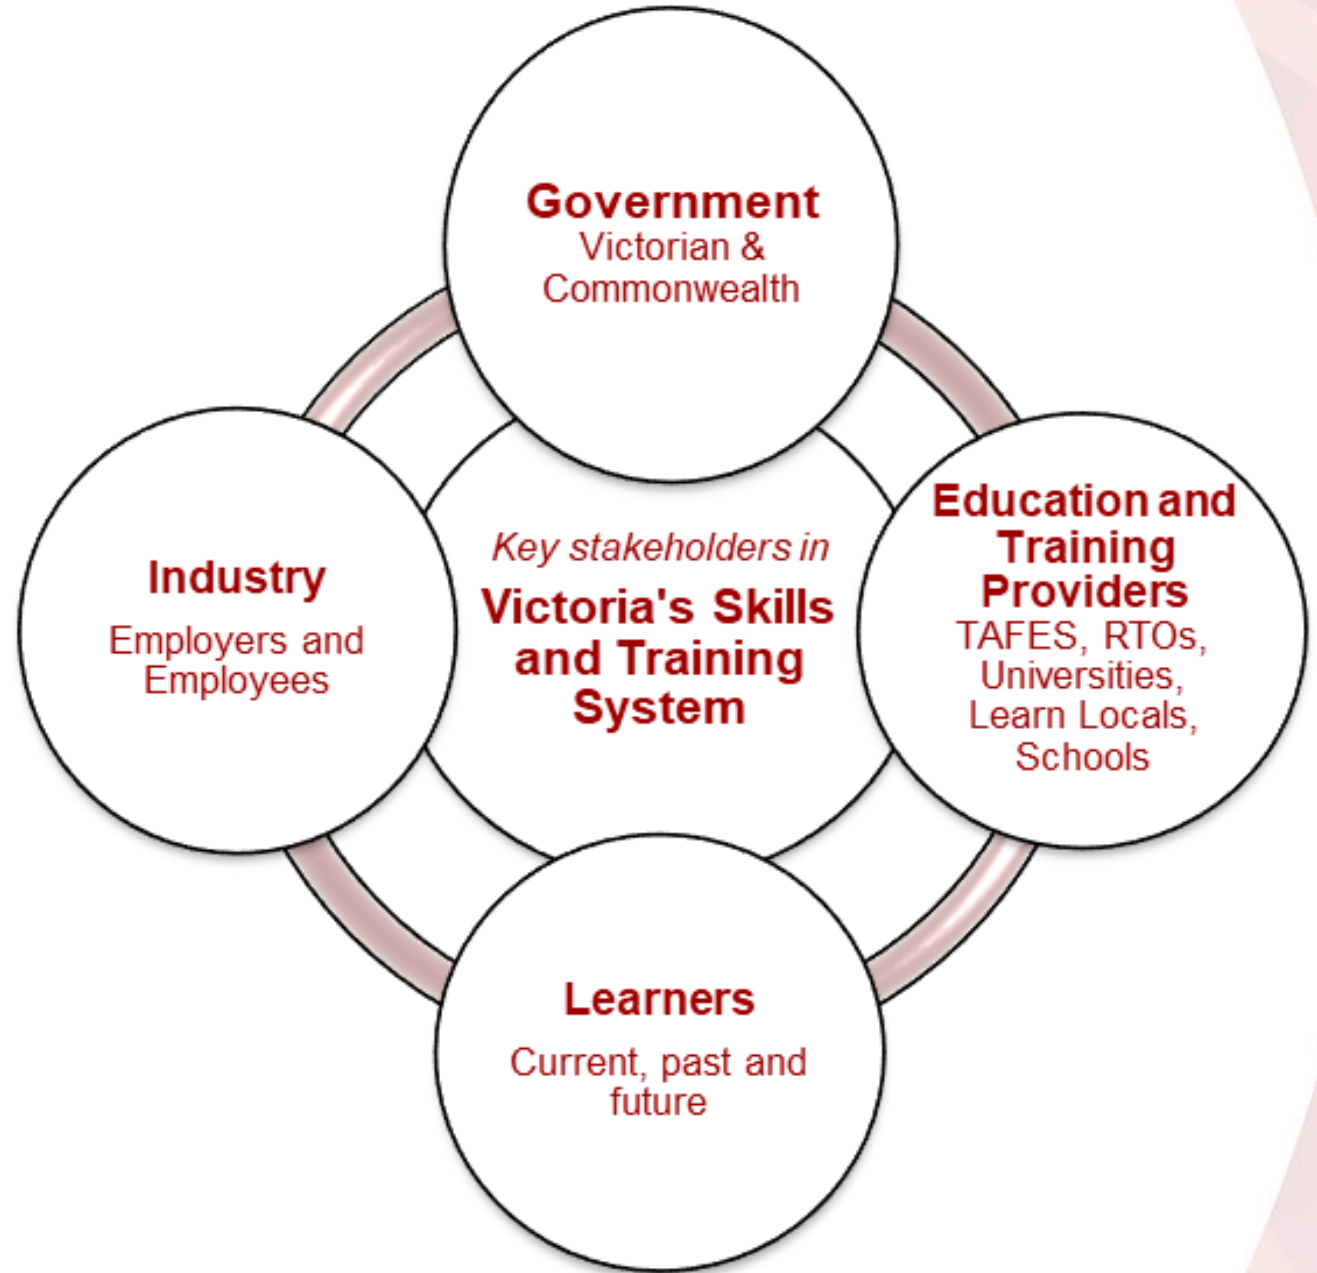

Director, Engagement

Jobs, Skills,
Industry
and Regions

The Victorian Skills Authority's industry engagement

- Multi-faceted
- 10 Industry Advisory Groups (IAGs)
- New cross-cutting IAGs
- Senior Skills Advisors
- Skills Labs
- Industry roundtables and working groups
- Employer surveys
- Skills and Jobs Centres
- National engagement via IAGs and CMMs

From transactional to co-design, collaboration and co-ownership

What does industry want from TAFEs?

Skilled
Workforce

Industry
informed training

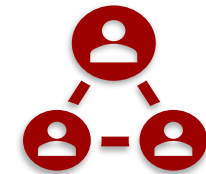

Flexibility

Responsiveness

Local access

Collaborative, co-
designed solutions

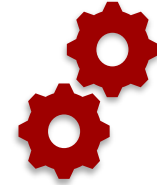

What does TAFE want from industry?

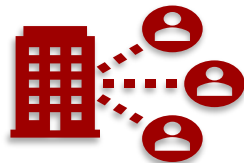

Commitment

Industry informed training

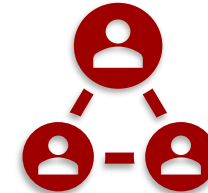

Access to resources & infrastructure

Quality work placements

Shared investment in learners

Collaborative, co-designed solutions

What happens when you bring the 'wants' together?

Building understanding

- Co-design workshops
- Better understanding of needs
- Possible skills responses
- Clarity on opportunities

Outcomes

- Better access to training
- Collaboration across organisations
- Community engagement
- Better knowledge of industry and skills pathways
